The intent of this contract is to protect _____, hereafter referred to as the Buyer, and Lululeopardz, hereafter referred to as the Seller. This contract is legal and binding between the Buyer and Seller.

Purchase: The balance is due in full via cash or cashiers check before kitten departs. No personal checks are accepted. No cash refunds. Deposits are non-refundable.

Buyer: Under no circumstance will this cat or kitten be sold, leased, or given to a petshop, pound, research laboratory, or any similar facility.

Cat Welfare: Buyer agrees to provide food, shelter, healthy and stimulating environment, health and accident-related medical attention, exercise, and affection. This cat or kitten will be kept indoors and not be allowed to run free except on a leash or in an enclosed area. If this cat or kitten is neglected or mistreated, Buyer will surrender said cat or kitten.

Breeder Assistance: Buyers entering a breeder contract with seller will be mentored to ensure proper procedure is followed in breeding of purchased cat, for its protection and the integrity of the Bengal breed.

Discrepancies: Any disagreements resulting from the purchase of this cat or kitten will not be published by the Buyer, Seller, or their associates on any media - social media, print, and otherwise. Damages for violation of this clause will be \$5,000.00.

Health Guarantee and Returns/Refunds: This cat is guaranteed to be free from congenital defects and genetic disease for a period of one year from the date of sale. Said cat is guaranteed to be of acceptable temperament, Buyer is to agree to ensure adequate socialization. If cat is to be returned to Breeder, all shipping related expenses will be covered by the Buyer. A portion of the original purchase price will be retained for blood work.

In the event this cat is found to have a congenital defect/disease within one year from the date of sale, and it is proven by a licensed vet and verified with Breeder's own vet, the cat can be returned to Breeder for a replacement of equal quality when one becomes available. Another option is the kitten can be kept by Buyer and, upon proof of spaying or neutering, a refund of 50% of the original purchase price will be credited towards another kitten of the same quality.

No refund or replacement will be given for any cat that has been bred or produced a litter (pure bred or otherwise). Tail faults and lockets are not guaranteed, this is highly unlikely but if said cat develops one, it is not congenital.

Breeding: It is agreed that no kittens from said cat will be sold to animal brokers, pet shops, or their agents. All kittens will be sold with registration papers and a health guarantee. The cat is never to be bred to an unregistered or mixed breed cat. If such breeding takes place, said cat and all kittens will be surrendered to the Breeder.

This cat is guaranteed to be fertile as an adult, given sufficient time and opportunity. Should there be any questions to the fertility of said cat, Breeder has the right to have full written explanation by a licensed veterinarian. A replacement kitten will be offered as available by the Breeder.
